

On page 11 line 27, replace "method has shown" with "method has been shown".

In the ABSTRACT:

On page 15 line 18, change the spelling of "induce" to "induces".

a18
On page 15 line 19, replace "The process of allowing the temperature of the liquid crystal temperature to rise and drop," with "By repeatedly turning on and turning off the heating lights at an appropriate power setting, the temperature of the liquid crystal film will repeatedly rise above and drop below the liquid crystal phase transition temperature. During this temperature rise and drop process,".

a19
On page 15 line 23, after "of time." insert "We call this temperature control process the infinitesimal temperature control method.".

On page 15 line 27, replace "process exhibit as a change" with "process exhibits a change".

a20
On page 16 line 6, after "is taking place." add "I call this blinking the 'hot spot induced blinking'.".

On page 16 line 8, replace "to the low powered ohmic heating induced" with "to the hot spot induced".

a21
On page 16 line 9, replace "of a variation of the ambient" with "of the infinitesimal temperature control method to vary the ambient".

a22
On page 16 line 11, replace ", the size of the heat induced" with "the blinking spot size of the hot spot induced".
